**Auditor's Report to the Members on Review of
Interim Financial Information**

Introduction

We have reviewed the accompanying condensed interim statement of financial position of **J. A. Textile Mills Limited** ("the Company") as at **December 31, 2020** and the related condensed interim statement of profit or loss, condensed interim statement of comprehensive income, condensed interim statement of changes in equity, condensed interim statement of cash flow and notes to the condensed interim financial statements for the half year then ended (here-in-after referred to as the condensed interim financial information). Management is responsible for the preparation and presentation of this condensed interim financial information in accordance with approved accounting and reporting standards as applicable in Pakistan for interim financial reporting. Our responsibility is to express a conclusion on this interim financial information based on our review.

The figures of the condensed interim statement of profit or loss and the condensed interim statement of comprehensive income for the quarter ended December 31, 2020 and 2019 have not been reviewed and we do not express a conclusion on them as we are required to review only the cumulative figures for the half year ended December 31, 2020.

Scope of Review

We conducted our review in accordance with the International Standard on Review Engagements 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity". A review of condensed interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with International Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Conclusion

Based on our review, with the exception of matters described in preceding paragraph, nothing has to come in our attention that causes us to believe that accompanying interim financial information as of and for the half year ended December 31, 2020 is not prepared, in all material respects, in accordance with approved accounting standards as applicable in Pakistan for interim financial reporting.

Emphasis of matter

Without qualifying our conclusion;

- a) We draw attention of the members to the contents of note 1.2 to the annexed interim financial information, the Company has accumulated losses of Rs. 148.635 million against the paid-up capital of Rs. 126.012 million as at December 31, 2020 and as of that date, the Company's current liabilities exceeds its current assets by Rs. 10.583 million. These factors indicate the existence of material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern.

- b) We draw attention of the members to the contents of note 10 to the annexed interim financial information, which indicated that the Company has filed appeal before the Supreme Court of Pakistan against the decision of the Lahore High Court, Lahore for remitting back the case to Banking Court – II, Faisalabad for necessary calculations and verification of payments to the tune of Rs. 26.890 million, which had originally been decided in its favor. However, the ultimate outcome of the matter cannot be determined with any degree of certainty.
